

IN Cure of MS Gala

Friday, June 18, 2021
Biltwell Event Center
Indianapolis, IN

The annual IN Cure of MS Gala raises awareness and money for Multiple Sclerosis research. Funds raised from this event will go to the National Multiple Sclerosis Society, Indiana State Chapter.

This year's event will feature an evening of food, drinks and entertainment by **Sister Hazel!**

Please consider being a part of our annual event on June 18th with an event sponsorship. Sponsorships will help in the fight against MS, and we could not do this without partners like you.

All sponsor packages guarantee seating for guests, but the number of tickets will be determined closer to the event in line with health and community regulations.
